LETTER FROM THE PRESIDENT:

For the past eight months, T.A.G. (Tidewater Artists Gallery at the D'Art Center) has offered TAA members more exhibit opportunities than ever before. The juried TAA exhibit at the VBAC was displayed during December, 1986; the juried Miniature Exhibition opens Friday, January 30.

The "behind the scenes" to mount these shows is enormous, involving dozens of volunteers and hundreds of hours. Therefore, your TAA Executive Board has established an Auxillary Committee to deal directly with all aspects of T.A.G. This Committee will help to determine exhibit concepts, the selection of works, prospectus, publicity, invitations, installation, labeling, socials and the hosting and care of the gallery. To ensure that all facets of T.A.G. run as smoothly as possible, it is essential that additional TAA members offer their time and talents. Please let one of the following individuals know that you are willing to help with the exhibit schedule:

- Donna Morrison, 701 Baldwin Ave., Norfolk, 23517
- Lynn Sward, 625 Bishop Dr., Virginia Beach, 23455
- Ray Hershberger, 1902 St. Dennis Ave., Norfolk, 23509

During February and March, the Nominating Committee of the Executive Board will meet to consider new Board officers for installation in late May. If you would like to be considered for this extremely active, hard working Board, please express your interest to:

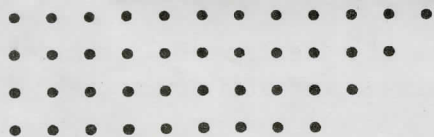

Ed Lazon, 1129 Manchester Ave., Norfolk, 23508

Remember! This is your organization! TAA will only grow and improve through your ideas, time, energy and commitment.

Ann Dearsley-Vernon
